

# Thyroid

## A Pathfinder

The Learning Center provides materials for information and convenience only. They are not to be substituted for medical advice. Medical information is often controversial and continually changes. Please consult your health care provider to discuss your specific concerns.

**The Learning Center locations provide a wide range of materials, and each site's resources are different.** Please call ahead to learn which location contains the resources you need. The Learning Center staff provides skilled, individualized service and will be happy to help you.

For more information, or if you have questions, please call, e-mail or visit The Learning Center.

### Levit Family Learning Center Mays Clinic
