

# Lymphoma, Multiple Myeloma and Waldenstrom's Macroglobulinemia

## A Pathfinder

The Learning Center provides materials for information and convenience only. They are not to be substituted for medical advice. Medical information is often controversial and continually changes. Please consult your health care provider to discuss your specific concerns.

**The Learning Center locations provide a wide range of materials, and each site's resources are different.** Please call ahead to learn which location contains the resources you need. The Learning Center staff provides skilled, individualized service and will be happy to help you.

For more information, or if you have questions, please call, e-mail or visit The Learning Center.

### Levit Learning Center

#### Mays Clinic

Floor 2, near The Tree Sculpture,  
Room ACB2.1120

Monday – Friday, 9 a.m.-4 p.m.

713-563-8010

## Internet Resources

### **The University of Texas M. D. Anderson Cancer Center Lymphoma & Myeloma Department Page**

<http://www.mdanderson.org/departments/lymphmyeloma/>

This site offers information about Hodgkin's and non-Hodgkin's lymphoma, as well as multiple myeloma and Waldenstrom's macroglobulinemia. Find information about the center's clinical trials and links to M. D. Anderson publications and external resources.

### **The Leukemia and Lymphoma Society**

<http://www.leukemia.org>

This site offers disease information about leukemia, lymphoma, myeloma and other blood cancers. Find support for patients and caregivers, guidance in finances, helpful links and free educational brochures.

### **The Lymphoma Information Network**

<http://www.lymphomainfo.net>

This site gives general disease information along with research materials, books on lymphoma, lymphoma organizations, resources, survivorship, financial aid and patient rights.

### **Lymphoma Research Foundation**

<http://www.lymphoma.org>

This site has information on patient education, resources, educational materials, services, ongoing clinical trials, research news and support programs. This site also offers a helpline to talk to a trained staff member.

### **Lymphoma Research Foundation**

<http://www.lymphomafacts.org>

Get fact sheets in English, Spanish and Chinese on many topics from this site, including lymphoma, treatment, side effects, toxicity, communicating with your health care team and coping.

### **The Mantle Cell Lymphoma Consortium**

<http://www.mantlecelllymphoma.org>

This Web site, funded by the Lymphoma Research Foundation, intends to help patients and researchers find up-to-date and accurate information on MCL in an easy to use format. Its resources include news about studies, clinical trials and a glossary of terms.

**International Myeloma Foundation**

<http://www.myeloma.org>

This site contains information about treatment and research for multiple myeloma, support groups and seminars. A concise review/overview is available in 14 languages.

**Multiple Myeloma Research Foundation**

<http://www.multiplemyeloma.org>

This is a non-profit foundation for myeloma research. The site has information about myeloma treatments, clinical trials and links to support groups.

**International Waldenstrom's Macroglobulinemia Foundation**

<http://www.iwmf.com>

This non-profit volunteer organization gives disease information, publications, a communication network and Web site links for people affected by Waldenstrom's macroglobulinemia.
